and Applied Sciences

# **COMPUTER SCIENCE & APPLIED MATHEMATICS PROSPECTIVE PHD STUDENT EVENT**

**October 30, 2020 @ 3 pm**

**[Register here](#)**

Join us for a networking opportunity with faculty and graduate students to discuss current research projects and applying to graduate school.

## **WHO SHOULD REGISTER?**

Individuals interested in pursuing a PhD in Computer Science or Applied Mathematics within the next two years. This program is designed for those that hold membership in an underrepresented and/or historically minoritized group in STEM.

Research areas include theory of computation, artificial intelligence, robotics, program languages, modeling physical/biological phenomena and systems, computational neuroscience, and economics and computation. Visit our [website](#) to see the full list of faculty research.

Persons with disabilities who would like to request accommodations or have questions may contact [diversity@seas.harvard.edu](mailto:diversity@seas.harvard.edu) in advance of the program .
